

# MANNY PACQUIAO NETWORTH

George Foreman's fortManny Pacquiao, a Filipino boxer, actor, singer, endorser, and politician, currently holds a net worth of \$220 million. He actively serves as a Senator in the Philippines. Pacquiao is widely regarded as one of the greatest "pound-for-pound" boxers ever. He doesn't mainly come from boxing, despite his champion status. Even after a successful boxing career with 76 wins out of 81 fights since turning professional in 1969, Foreman's net worth peaked at just \$5 million in the 1980s.

## Career Earnings

Approximately 20 million people bought pay-per-views for Pacquiao's events, generating around \$1.3 billion in revenue from his 25 pay-per-view fights.

## Real Estate

In 2009, Manny and Jinkee bought a home in LA's Hancock Park neighborhood for \$2 million. The house was constructed the year before they moved in.

## Entertainment Career

Besides his sports and political careers, Manny Pacquiao has thrived in the entertainment industry. He has mainly appeared in Filipino movies, with one appearance on Tosh.0. There are rumors about him potentially appearing in Hollywood movies too.
