

ANTHONY JOSHUA NET WORTH

Anthony Joshua, the former two-time unified heavyweight champion, has a strong impact both inside and outside the ring.

JOSHUA'S CHARITABLE EFFORTS

Despite his wealth, Joshua remains connected to his origins. He founded the Anthony Joshua Foundation, which aims to empower young people through different programs.

ARE THERE SHARES IN HIS FUTURE?

Although details about his shares in public companies are scarce, Joshua may have invested in them given the financial guidance often provided to prominent athletes.

Big Bucks in the Boxing Ring

Joshua's boxing career forms the foundation of his net worth. He earns multi-million dollar purses for each fight, especially for big matches like the Andy Ruiz Jr. Rematch (estimated at \$60 million), which has greatly boosted his finances.
